

Open source information

Your mobile device may include open source software made publicly available by Motorola Mobility LLC ("Motorola"), including software licensed under the General Public License and/or the Lesser General Public License (the "open source software"). You may obtain the corresponding source code for any such open source software licensed under the General Public License and/or the Lesser General Public License (or any other license requiring us to make a written offer to provide corresponding source code to you) from us for a period of three years after our last shipment of your Motorola mobile device and without charge except for the cost of media, shipping, and handling, upon written request to Motorola. This offer is valid to anyone in receipt of your Motorola mobile device. You may send your request in writing to the address below or visit developer.motorola.com (English only). Please make sure your request includes the "Model number" and the "Build number" associated with the software of your Motorola mobile device.

THE OPEN SOURCE SOFTWARE IS PROVIDED "AS IS", WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES OF ANY KIND, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. See for example the GNU General Public License and/or the Lesser General Public License for more information.

To view additional information regarding licenses, acknowledgments and required copyright notices for the open source software used in your Motorola mobile device, go to **Open source licenses** and/or **Additional open source licenses** within the Settings menu on your device.

This mobile device may include certain pre-installed application programs or pre-configured links for downloading application programs published by parties other than Motorola. Such third party application programs may include open source software made publicly available by the respective publishers of those application programs. You may obtain the corresponding source code for any such open source software directly from the publisher of the applicable application program, to the extent permitted under the relevant open source software license agreement. Additional information is provided by the publisher of each application program within the menu structure of its application program.
