★★★★★ High quality patches - good size for many applications

I used these to make a veterans tribute. The patches are placed on a large cloth panel. The embroidery is nice and definitely worth the price per patch.

★★★★★ Great 3 inch Patches, with the new Space Command not listed as part of the Air Force

Reviewed in the United States on July 31, 2022

Verified Purchase

The Space Command is shown as a separate Military Branch versus a part of the Air Force (which was the original formation of the Space Command).

★★★★★ Just what I ordered and expected.

Reviewed in the United States on February 15, 2023

I use them, and other things (old worn out US flags) to make collages to auction for money for the City of Refuge Veterans Homeless Center. They are usually quite amazing, even if I do say so myself.
