

# Apples To Apples - Rules Variations

## \*\*\*\*\*Random Apples\*\*\*\*\*

### Full Text Description

- Sometimes, it can be difficult to narrow the choices down to one winner. This variation is to avoid that problem. The judge will narrow down the selections to 3. Those last three apples are then turned face down, shuffled, and the winner is picked at random.

### Summary Of The Rules Differences

- The judge narrows down the red apples played to 3.
- Those 3 red apples are turned face down and shuffled.
- One of those red apples (the winner) is picked at random.
