

# Jamf Pro Documentation

Version: Jamf Pro 10.45.0 | Last Updated Jan 24, 2023 | 2 minutes read

# [Jamf Pro 10.45.0](#) # [Technical Documentation](#) # [Administrator](#)

The *Jamf Pro Documentation* (formerly the *Jamf Pro Administrator's Guide*) contains overviews about Jamf Pro features and instructions for performing administrative tasks using Jamf Pro.

## ON THIS TOPIC

[Additional Resources](#)

Print

Before using the instructions in this guide:

- If hosted on-premise, the Jamf Pro server must be installed.
- If hosted in Jamf Cloud, your cloud instance must be set up and accessible.

## ▼ Additional Resources

### ▼ Documentation and Training via Jamf Account

The [Jamf Account](#) is a central hub where customers can find release notes, documentation, and support resources for their accounts with Jamf.

Your PDF is being generated. Please leave this browser open until your PDF has downloaded.

- **Release notes**— The release notes include information on new features and enhancements, system requirements, resolved issues, and more.
- **Installation and configuration guides (on-premise only)**— These guides provide information on installing and configuring Jamf Pro on Linux and Windows platforms. They also explain how to perform advanced configuration and troubleshooting tasks. The guides for Linux and Windows include instructions for performing a manual installation of Jamf Pro on those platforms.

### ▼ Getting Started with Jamf Pro

The [Jamf Pro Getting Started Guide](#) provides instructions to help you complete Jamf Pro setup and integration with Apple Business Manager or Apple School Manager.

### ▼ Technical Articles

[Technical Articles](#) address frequently asked questions and common issues.

#### ▼ Resources on jamf.com

Search the [Resources](#) area on the Jamf website to access a range of documentation resources including product guides, technical papers, and more.

#### ▼ Other Resources

For access to other Jamf Pro-related resources, visit the following webpages:

##### [Jamf Nation Community](#)

Jamf Nation allows community members to engage with Jamf.

##### [Jamf 100 Course](#)

The Jamf 100 Course offers a self-paced introduction to Jamf Pro and an enterprise-focused foundation of the macOS and iOS platforms.

##### [Jamf Online Training Catalog](#)

The Jamf Online Training catalog provides self-paced modules to help you learn Apple device management with Jamf Pro. This resource is available for free to all Jamf customers.

##### [Jamf Videos](#)

The Jamf YouTube channel features videos and troubleshooting tips on managing computers and mobile devices with Jamf Pro.

##### [Jamf Marketplace](#)

The Jamf Marketplace is a central location for you to find, learn about, and utilize valuable tools to integrate with and extend the Jamf platform.

Jamf helps organizations succeed with Apple. By enabling IT to empower end users, we bring the legendary Apple experience to businesses, education and governments organizations. [Learn about Jamf.](#)
