★★★★★ Amazing patch! Get it!!!

Reviewed in the United States on February 4, 2021

Amazing patch!!! Very unique and very high quality. Detail is immaculate and it's very sturdy. The ONLY thing I would change us the color of the ufo from red to something like hot pink or turquoise or green. Red just doesn't fit that well imo. I'll just paint over with fabric paint which is very easy. And thats obv more a personal preference than an issue with the product. Regardless I definitely recommend it!
