Included in this package:

- Activation Card
- Quick Start Guide
- About Your Phone booklet
- Phone
- Battery
- Battery Cover

-
- Charger

Your phone already has a SIM card installed. Your phone's battery may not be fully charged. Use the charger included in your package to charge your phone fully before the first use. To turn your phone ON/OFF, press and hold the Power/End key.

Explore your phone:

To open the apps list, press the center key. To open an app or select a feature, scroll to the app or feature and select SELECT.

To go back to the previous view, press the back key. To go back to the home screen, press the Power/End key.

Security Settings:

1. Press the center key and select Settings.
2. Scroll right to Privacy & Security.
3. Select Screen Lock > Screen Lock and > On, create a four-digit code. Note, however, that you need to remember the code you created, as Tracfone is not able to open or bypass it.

Lock and unlock your phone:

If you want to avoid accidentally making a call when your phone is in your pocket or bag, you can lock your keys and screen.

To lock your keys and screen, press and hold the

* key or close the fold. To unlock the keys and screen, select Unlock.

Make and Receive Calls:

1. Type in the phone number.
2. Press the Call key .
3. To end the call, press the Power/End key .

When the phone rings, press the Call key to answer. To reject a call, press the Power/End key.

Voicemail Setup:

For instructions on how to set up voicemail, contact your service provider.

When you have new voice mail appears in the status bar. Swipe down and tap the notification to listen to the voicemail.

Text and Picture Messaging:

1. Press the center key, and select Messages > New.
 2. In the To field, press # until you are able to enter numbers and then type in
-

4. To add a picture to the message, select Options > Add attachment.
5. Select the location of the picture, then the picture, and select Done.
6. Select SEND.

Turn on Wi-Fi:

1. Press the center key and select Settings > Network & Connectivity > Wi-Fi.
2. Turn Wi-Fi to On.
3. Select Available networks and the network you want, enter a password if needed, and select Connect.

Using your Mobile Internet:

1. Press the center key, and select Internet.
2. Select Search Internet.
3. Write a web address, and select GO.
4. Use the center key to move the mouse cursor in the browser.

Bluetooth® Connectivity:

1. Press the center key, and select Settings > Network & Connectivity > Bluetooth.
 2. Turn Bluetooth to On.
-

Notification and Status Icons:

	Bluetooth connection is on
	Wi-Fi is on
	Airplane mode is on
	Battery status
